

Press release

Membership of CER Cargo Holding OSJD

We are pleased to inform who are monitoring the activities of the railway companies of CER Cargo Holding that our group has been admitted as an associate member to the OSJD (Railway Cooperation Organization).

Figure 1: OSDJ member states / source: KTE Conference, Kálmán Somodi, OSJD Secretary General /

The OSJD coordinating organization has been operating since 1957, its headquarters are located in Warsaw, and MÁV also became full member, thus with our entry, among 42 associated member companies, two companies registered in Hungary are now cooperating members.

It is a great honor and recognition for all the employees of our company that we can be the first Hungarian privately owned railway association in OSJD.
